THE STATE OF OHIO
STATE HOUSE, COLUMBUS 43215
OFFICE OF THE GOVERNOR

January 20, 1970

TO THE MEMBERS AND FRIENDS OF THE AMERICAN POLLED SHORTHORN
ASSOCIATION

Greetings:

It is a genuine pleasure, as Governor of the State of Ohio, to extend my official greetings and an invitation to all Polled Shorthorn Breeders to COME TO OHIO for the OHIO NATIONAL POLLED SHORTHORN SHOW and SALE, March 21, 1970, at the Ohio Exposition Center in Columbus.

Ohio is proud of the history of this fine breed that was made within this state by the early breeders and importers. The achievement of these pioneers can be measured as benefits shared with other beef cattle breeders and stockmen.

The Ohio Polled Shorthorn Breeders and the Ohio Department of Agriculture are co-sponsors of this event. Our aim and sincere wish is that the Ohio National Show and Sale will mark a distinctive step of forward progress in the experience of the breeders and their families who are trying to improve beef cattle in general and Polled Shorthorns in particular.

JAMES A. RHODES
Governor

A MAJOR EVENT IN THE POLLED SHORTHORN BUSINESS

The State of Ohio, Governor James A. Rhodes, and Director of Agriculture, John M. Stackhouse, are to be commended for their interest in agriculture in Ohio. These men are great believers in promoting the best purebred livestock. This is evident by their appropriations in helping the purebred industry, in the State of Ohio.

The Ohio Polled Shorthorn Association and the Ohio Department of Agriculture have worked closely toward making this show and sale one of the best Polled Shorthorn events to be held in 1970.

This being the First Annual Spring Show and Sale, we are proud to present cattle from five states. The sires of the bull and females selling are some of the best bulls in America.

Many of the cattle have been shown with success. Others are of show ring caliber and can be shown with pride this coming season. These cattle are bred to work with distinction in any herd.

This sale is unique in that the sale cattle will be showing for high premiums, plus trophies and ribbons.

The cattle will be judged by Roy Rutledge, Manager of Four Dees Stock Farm, Allerton, Illinois. We urge you to come early and view the judging.

If we can assist you in any way, please feel free to call on us.

Paul F. Lehnert
Sales Manager

He is the modern kind — long, tall, with abundant thickness and muscling. He is a bull brother to Mel Kiger's bull, who is proving to be a great breeding bull. His dam, an own daughter of Timberlee's Consort X, goes back to Calrossie Mercury, so his size and growth isn't an accident. This is an untouched photo. 205 day weight: 1245 lb. Grade code: 15 Yearling index: 141.8. We have several heifers safe in calf to him — he is a sure breeder.
